

Black Canyon Audubon Society Annual Dinner

Wednesday, June 26, 5:30 p.m.

We will be gathering at Remington's Restaurant at The Bridges Golf Course in Montrose. This year's annual dinner will include a delicious meal and a PowerPoint presentation by **Dennis Murphy**. Dennis recently toured around the Antarctic and will talk about his adventures in one of the coldest and most remote places on earth. Antarctica is such a wild place, and his talk will include more than just birds!

Please join us for a fun and relaxing evening! It is not necessary to be a BCAS member to participate. Invite anyone you think would enjoy the evening to join us!

We have decided not to do a silent auction this year.
